### **Treasurer's Report:** Mark Kirk reporting:

General Fund	421.29
Civic Fund	0.00
Classic Fund	34.00
<b>Total</b>	<b>\$455.29</b>

### **Old Business:**

1. **Federation** – Over 5000 tickets were sold at the boat show this year. There was a \$500 donation taken up at the state meeting and the Federation was matching that for a total of \$1000 that was given to last year's winner of the Federation National championship who happened to be from Indiana. This money is to help him with his travel expenses during his events this year. Bob Bruick mentioned that when

someone from the north wins, he sure hopes that they would be as generous as they were with someone from the southern part of the state.

2. **Membership Committee** – No new report.
3. **Ice Breaker** – Reminder that the Ice Breaker is being held on Saturday, April 14. Currently we only have 11 boats prepaid. Please try to be there to help out, we can never have too many.

### **New Business:**

1. **Michigan Law** – It was brought up by Bob Bruick that Jim Graham read a post online about someone who was fishing on April 29, last year and was approached by one of the county sheriff officer's on St. Clair. Supposed he was fishing during the "catch and immediate release" season, but the officer told him that he was violating the law. The officer proceeded to tell him that the law meant that if he caught bass while fishing for perch or another species, he was to immediate release the bass, but he had been watching him and knew that he was targeting bass. There was a group discussion and the consensus was that the gentleman that wrote this post was fishing out of season by a day or two and this must have been the reason for the officer's issue. The fact that they have a designated catch and release season and it is closed from the end of December to this date, means that it must be an open season.
2. **Lorin** – Lorin has not left town yet and will be hanging around most of the summer. He would like to fish exclusively with Gary as Lorin's boat is already in Texas and Gary doesn't mind leaving early if needed due to Lorin's condition. Paul Hollabaugh made a motion to accept Lorin's proposal to fish exclusively with Gary, Bob Bruick seconded this motion. It was passed unanimously.
